

Date: January.03.2022

Certificate Number : 22-MP1-001

Item Name : Contrast Paint for magnetic Particle testing Aerosol

Brand Name : PICO-MAG

Model : White Paint NMP-1 (자분페인트)

Batch NO. : 22MP123

We hereby certify that the above Model used for magnetic particle inspection meets the below mentioned Typical Properties in accordance with the EN ISO 9934-2:2002 and ASME B & PV Code, Sec. V.

## Typical Properties

* Color	White
* Density	1.065
* Solubility in Water	Immiscible
* Drying Time	2 ~ 10 min
* Corrosion	Non corrosive
* Applying sample surface temperature	Below 135°F (57°C)
