DATE 2008. 02. 22.

Item Name : White Contrast Paint Aerosol  
Brand Name : PICO-MAG  
Model : White Paint NMP-1 (자분페인트)  
LOT NO. : 08MP109

We hereby certify that the above material used for magnetic particle inspection meets the requirements of BS 5044 and ASME B & PV Code, Sec. V.

Typical Properties

|                                       |                    |
|---------------------------------------|--------------------|
| * Color                               | White              |
| * Density                             | 1.065              |
| * Solubility in Water                 | Immiscible         |
| * Drying Time                         | 2 ~ 10 min         |
| * Corrosion                           | Non corrosive      |
| * Sulfur                              | 0.15 wt%           |
| * Applying sample surface temperature | Below 135°F (57°C) |
